

Hi everyone,

Sorry, there are price rises again! The most noticeable of these which stands out like a sore thumb is Spillers!!

My last catalogue was done in January, and in March Spillers put all their prices up! Typical! Anyway I have held the January prices until now, swallowing the March increase from spillers for you. Well guess what? They've just put their prices up AGAIN! Along with some other rises from the other feed companies. Farmgate Feeds also went up 5 weeks ago, and I've been holding them until now too! So now I have no choice but to bring out another catalogue, and fast! Sorry!

Spillers increases look horrific, but please do remember, that there is actually 2 lots of increases done in one go to their range! The March increase, and now the June increase. I can't swallow it anymore I'm afraid!

I now have fly sprays instock and hoof oils and hoof moisturisers for the summer season, so don't forget to ask for these when ordering feed etc. Many people forget that I do them. I do try to keep a few fly sprays and hoof oils in the van at this time of year, just incase anyone wants one when I'm around.

Now's a good time to get all your winter rugs sorted out, and I can pick them up for you and get them cleaned / re-proofed / repaired for you. Then I can bring them back to you all sparkly clean, and you can put them away ready for next winter.

So many people leave it until the autumn, and then there's always a mad rush and panic before the weather gets too bad.

So why not get them done now . Go on, be organised, I dare ya!

Cheques - Please note that I no longer can accept cheques under £10. If it is under £10 please pay cash.

The reason for this is - on a business bank account you are charged for everything!! Every cheque that I process generally costs 85p for the bank to process it!! So if a cheque is only for £8.50 say, then 10% of the value of that cheque goes on bank charges! Crazy!

Anyways I will say cheerio now, thank you all for your custom and support, (and patience when I quite often don't get round to answering your messages until the evening)

Lots of Love to you all,
(and all your lovely animals)

Lorraine . Xxxx

P.S Peggy Sue is currently having a week off from being an Agony Aunt, She says sorry, But She'll be back next time!!
